

NORTH EAST PUBLIC SECTOR SUSTAINABLE AND SOCIAL VALUE SUPPLIER EVENT
SPONSORSHIP PACKAGES

The 6th Annual North East Public Sector Sustainable and Social Value Supplier Event is looking for sponsors. This is an exciting opportunity for supply chain companies and procurement leads to connect - whether you're a supplier looking to showcase your low carbon product, or a public sector professional seeking sustainable solutions, this event will be the opportunity to make valuable connections and contribute to a low carbon procurement model for the North East Public Sector.

Each level of sponsorship has a number of benefits and will give opportunities for promotional coverage amongst the wide variety of attendees, speakers and exhibitors.
